Kit List

Wilderness England

Essential Items

On any adventure in the great outdoors some items of clothing and equipment are deemed essential. You may not need everything every day, but if the weather turns poor your safety and enjoyment could be compromised without these items.

Having the right equipment and clothing will have a big impact on how you enjoy your trip with us, so we have put together the following list to help you select the right gear.

We are happy to give additional advice so do not hesitate to contact us if you have any queries.

Ensure active clothes are non cotton based

Upper Body

- Base layer t-shirts or cycling jerseys
- Long sleeved base layers to complement the above (such as Icebreaker or Capilene)
- Lightweight fleece jacket or gilet
- Lightweight waterproof and windproof jacket

Lower Body

- Padded Lycra cycling shorts (plus outer shorts as preferred)
- Leggings or longs for riding
- Lightweight waterproof trousers

Feet

- Bike shoes or hiking trainers
- Socks for riding
- Neoprene overshoes for colder weather rides if you get cold feet

Head and Hands

- Helmet
- Gloves (full fingered are preferred in England)
- Clear-lens glasses or interchangeable sunglasses (100% UVA & UVB protection)

Essential Equipment to have while road cycling:

- Backpack to carry clothes, equipment and food (please note if hiring a bike from us, you will receive a small handlebar bag for your essentials)
- Waterproof liner or bag for keeping your rucksack contents dry
- 1 x 750ml water bottle or hydration bladder if using a backpack

This kit list's star is Anna from the Wilderness England team. You can read more about her [here](#).

Wilderness England highly recommend the products of renowned outdoor clothing manufacturer [Haglofs](#), who keep our guides warm and dry through the seasons with their superb clothing and equipment.

Haglofs' industry-leading commitment to sustainability and the environment fits perfectly with our own ethos and their products come with a high level of functionality, good design and value for money to people who invest in an active outdoor lifestyle.

Recommended Optional Items:

- Sunscreen and lip balm: SPF 25+
- Camera (spare batteries, memory card)
- Insect repellent
- Comfortable clothes for evening wear (casual dress code)
- Plug adaptor
- Bike lock
- Toiletries
- Mobile phone
- Swimming costume

Personal First Aid Kit

Your guide will carry a comprehensive first aid kit, but you may wish to bring some of your own items for travelling. This is especially relevant to any specialist medication you may need.

- Personal medication
- Antiseptic ointment
- Plasters and small wound dressings
- Compeed or Moleskin for blisters
- Scissors, tweezers and safety pins
- Tick tweezers
- Anti-inflammatory e.g ibuprofen
- Analgesics e.g aspirin
- Anti-diarrhoea drugs e.g immodium
- Antihistamines
- Re-hydration salts or solution e.g Dioralyte
- Spare contact lenses and glasses (if appropriate)

Group and Safety Equipment

Wilderness England provides all group safety equipment such as first aid kit, emergency shelter, mobile phone, Garmin Inreach satellite locator etc. These will be carried by your guide.

Bike & Spares

(not required if hiring a bike through Wilderness England)

When hiring a bike from us we take care of all the details. You can be assured that your bike will be ready to ride with all spares available as required.

If bringing your own bike, this will need to be a well maintained and serviced road bike, road tourer or hybrid tourer. In addition, if bringing your own bike you will need to bring the following:

- Bike multi-tool inc chain tool
- Mini pump and/or CO2 canisters
- Spare power link or chain pins
- Bike lube
- 2 x spare tubes and puncture repair kit Spare gear cable

Whilst our road cycling guide will carry a number of additional spares and tools it is essential that your own bike is in excellent working order before you depart. If you are in any doubt whatsoever to the condition of your own bike, please take it to your local bike shop for a full service in advance of the trip.

Bike Hire

You are welcome to bring your own bike, however if you would prefer to avoid bike transportation or simply like the convenience of hire, we have the following options:

For our road bikes: we offer the Trek Checkpoint ALR 5.

For our hybrid bike: we offer the Trek FX Sport4.

For our e-bikes: we offer the Trek Verve+

Each bike comes equipped with a Garmin Bike Computer - loaded with the ride information and mapping for your trip, compact handlebar bag (with map case) to carry your daily essentials e.g. camera, snacks, waterproofs plus a saddle bag with spare tube and tyre levers.

Hire Costs for week long trips are:

Road Bike – £175

Hybrid Bike – £175

E-Bike – £300*

*If you think that you or a travelling companion would need an e-bike to complete the trip please speak to one of our friendly adventure consultants before booking. There are a maximum of 2 e-bikes available per trip and these are strictly on a first come, first served basis.

Please note that since our 5 Countries tour is a longer trip bike hire costs £225 per bike for road and hybrid bikes.
